

Dear CHS Community,

Cosby High School has long been a center of community activity. Our campus has anchored the Cosby community for more than 110 years. Tradition is the Foundation of our institution. Developing successful and self-reliant adults is our Mission.

Cosby High's dedicated faculty and staff make student safety a Priority. Academic achievement is our number one Goal.

We call on parents and community members to support students as they mature into lifelong learners who value intellectual exploration and personal growth. Our teachers and administrators keep doors and lines of communication open for all who seek to support the Cosby High School mission. Your partnership in educating Cosby's teenagers is key to their success.

I extend gratitude to our students on behalf of all CHS personnel. Your high school experience is of great value to each teacher and staff member. The future of the Cosby community relies on you just as it has relied on Cosby High School graduates for many generations.

Gratefully,

Mrs. Murrell
